

Oh Chanukkah oh Chanukkah

come light

the menorah

let's

have a party,

we'll all

dance the hora

Gather 'round

the table

we'll

give you

a treat

Sevimon

to play with

and

latkes

to eat.

And

while

we

are playing

the candles are burning

bright.

One

for each

night,

they

shed a sweet light

To remind

us

of days

long ago

One

for each

night,

they

shed a sweet light

To remind

us

of days

long ago.
